OVERVIEW

Welcome to The Gourmandise School! We are a hands-on culinary school for beginners to professionals focused on teaching classic techniques using locally sourced ingredients.

Let us host your next private event and leave the work to us! After selecting your menu, you'll create delicious dishes with the guidance of a private chef. Then enjoy a sit down meal with your guests! All you need is your appetite. If your group enjoys some friendly competition, we are happy to include a secret ingredient challenge sparking extra creativity and communication from the guests!

Upon arrival guests are greeted by the Chef and given aprons and recipes. We provide a cheese platter to snack on throughout the cooking process, and any non-alcoholic beverages your group would like available. All classes are BYOB, so feel free to bring in your own wine or beer to enjoy while you cook your way to a delicious dining experience, no corkage fee! For convenience, you can purchase a glass/bottle of wine or beer at The Curious Palate restaurant next door to us.

We are a full service cooking school. Your event costs cover the chef, assistants, rental, ingredients, stemware, and all support staff. We can accommodate up to 30 guests for hands-on classes, and up to 30-45 for demonstration style events. Events are 3 hours long, and should you wish to have a longer event please inquire for rates.

For large groups, we have a separate annex we can dress and set for a more intimate dining experience for an additional fee of \$150. For groups over 24 guests, there is a surcharge of \$450 for an additional chef instructor.

Custom gift bags are also available for your group for an additional charge upon request.

Contact us with any questions, and to book your event.

PRIVATE PARTIES FOR KIDS

Come celebrate your child's birthday at The Gourmandise School with a hands-on cooking party! We offer a variety of fun filled party menus to choose from for kids ages 4-12. All parties are a hands-on cooking experience where our Chef instructor and support staff are dedicated to making sure your child gets to learn to make a delicious meal and enjoy it with their friends.

Parents can drop kids off and enjoy lunch across the way at The Curious Palate while still keeping an eye on the party!

Children are greeted upon arrival by our Chef and assistants and given aprons to decorate and take home. Kids are supervised through the entire party as they enjoy cooking in a commercial kitchen with their friends and family, creating delicious dishes to enjoy with everyone! If your kiddo is a fan of cooking shows such as Chopped or Master Chef Junior, we are happy to customize your event to include a "secret ingredient showdown"!

Parents are welcome to bring a birthday cake and we will slice and serve it for you. We provide all plates, utensils, cups, and drinks (punch and water) for the kids. *We have the kids covered, not the parents.* People not participating in the cooking process are generally not permitted in the kitchen area during the event. Parents are welcome to watch their kids from outside the kitchen through our glass doors, and pop in to take the occasional picture, but kids tend to get less distracted when they're the only chefs in the kitchen ;)

We can also provide Gift Bags at an additional cost to reflect the kids' culinary experience!

All kids parties are 2 ½ hours long.

Pricing: \$850 for up to 10 children, each additional child at \$75pp.

Maximum of 20 children ages 12 and under.

Contact our head of special events with any questions, and to book your event. Events@TheGourmandiseSchool.com or call (310) 656-8800.
